**PB SWISS TOOLS**

**Dear Readers,**

Solutions on the market that are safe and easy to use are the ones that gain acceptance: "universal design" is the basis of every innovative solution from PB Swiss Tools. It is therefore not surprising that our quality products from Switzerland are classified as absolutely user-friendly and reliable.

For themselves, their customers, employees and friends, users search for the tools that guarantee effective and economical working in demanding environments.

PB Swiss Tools is therefore a great gift for professionals and do-it-yourselfers.

Those who buy our tools and those who receive our tools recognize the special value of branded products with unlimited guarantees. They awaken long-lasting enthusiasm by successfully impacting every application.

**Work with the best.**

With kind regards,

**Eva Jaisli**

IN JUST THREE STEPS

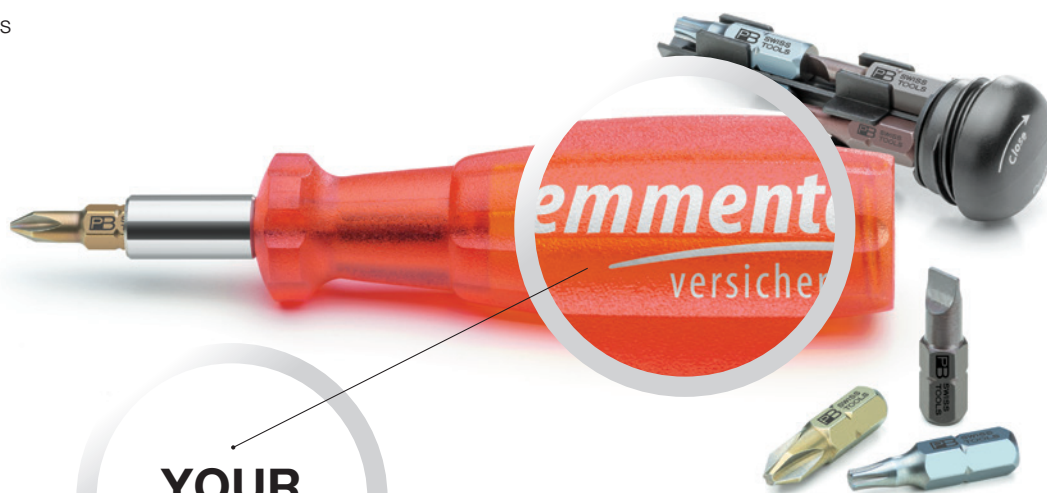

## DESIGN YOUR PRODUCT ONLINE AND ORDER DIRECTLY

«Tool4you» opens up the possibility of designing a branded product of your choice, individually as a gift or as a promotional item. In just three steps, design the tool with your logo or text according to the way that you want it to look:

- Creating and checking different versions
- Logo or font possible
- Templates are saved
- Transmission without data loss
- Available for 25 units or more

You have the option of adding a personal message to your gift. The card with your personal message, your logo and your personal signature can be placed in the gift box.
